

The IntelliCloud™ Process

IntelliCloud™ Business Solutions

- Configurable OneTouch icons for each active solution
- Additional Solutions may be activated at any time

IntelliCloud™ Benefits

- Real time access to critical information (scanned documents, emails, faxes, word / excel documents, HR files, AP documents, etc)
- Secure, centralize and locate your files instantly
- Flexible document retrieval
- Eliminate piles of paper and automate manual processes
- Reclaim space once used for file cabinets and storage boxes
- Reduce storage and operational costs
- No more lost files

IntelliCloud™ at your Desktop
